TRACE is a porcelain collection that captures the essence of the artistic gesture. Its name, inspired by the stroke of a brush, evokes movement, intention, and sensitivity. Each piece is a subtle expression of texture and color, designed to bring visual dynamism without losing overall harmony.

With a refined 6x30 cm format, TRACE is available in five carefully curated colors and three complementary textures —Plain, with a smooth surface, conveys serenity and balance. Brushed, featuring a pronounced relief, suggests the strength of a direct, spontaneous stroke. Waves, the transitional texture, flows with soft curves that connect both ends, creating a fluid and organic visual rhythm. — The combination of these textures within the same color range allows for versatile and sophisticated compositions—perfect for spaces that aim to express personality through detail.
